- A translation of [Petites Culottes](#) by [MiaQc](#)

For a reason unimportant to this story, Filia, Fukua and their parasites clash on New Meridian's rooftops. Filia and Fukua jump from one roof to another during the fight. Umbrella, strolling along with her sister Parasoul, looks up at the sky. She sees the two teenagers' panties as Filia and Fukua chase each other from rooftop to rooftop.

"Sis, look, panties!"

"What?"

Parasoul looks up and sees nothing. She scolds her sister, who retorts with a grimace of annoyance.
